

## **SOPs for Accredited Diplomats Arriving in Pakistan**

- All the Foreign Missions in Pakistan have been requested to share arrival details of their accredited diplomats at least 48 hours in advance.
- Upon arrival, a diplomat will have the option to either stay in a designated hotel for 48 hours on self-payment or self-isolate at the respective Embassy or residence.
- After 48 hours, COVID-19 test will be conducted by a dedicated team of National Institute of Health (NIH).
- Result of the COVID-19 test would be shared with the accredited diplomat/ respective Embassy.
- In case of a positive result, the diplomat would be subject to quarantine/treatment as per guidance of the government's health authorities.
- They would have to follow the prescribed guidelines as recommended by the Ministry of National Health Services, Regulations and Coordination and other concerned departments.
